The format for the Kooper's Golf Classic is a Shotgun. One or Two foursomes on each of the twenty-seven hole all starting at the same time. When play begins, all team members hit their shots. The captain will choose the best tee shot to become the spot from which all team members hit their second shots. This "best ball" play continues until with each round of shots counting as one stroke for the group, until a final group score is posted for the hole. Please note that there is a max score of double par per hole to keep everyone on pace.

While we strongly encourage everyone to go with the flow, enjoy the good times on the course and remember that this is for a great cause, please note all golfers need to Tee-off by 11:00 AM to finish their rounds before dinner.
